

Time to give up self doubt, questioning, waffling & indecision in your business?

To do this we must identify and clarify your DREAM, YOUR IMPACT, YOUR SIGNIFICANCE!

What are your personal reasons for wanting to create _____?
(WHATEVER IT IS YOU ARE LOOKING TO ACCOMPLISH)

What is it that you hope to accomplish through and/or become because of your time & effort?

What do you want to have? To be? To create? These higher purposes will propel your success and inspire you.

- Your DREAM/IMPACT is the motive you have for building your business.
- Your DREAM/IMPACT is the solid foundation that will allow your business to withstand all obstacles and challenges.
- Your DREAM/IMPACT is what will empower you to achieve your goals and life of significance.

How do you define success, both personally and financially?

(Think about things that are most important for you to achieve or have – this is your surface goal. Then, ask yourself why those things are important to you. Dig as deep as you can, get a notebook if you need to, don't hold back! Think of things that mean so much to you that you will spend weeks, months, and years working to attain.

If this doesn't make you feel ELECTRIC, IMPACTFUL OR REALLY FREAKING EXCITED keep on digging!
